### **Parish newsletter and the new data protection law**

If your name or the name of a friend or relative of yours is on the parish list of prayers for those who are sick, and you would like that name to remain on the list, would you please contact Fr Waraich. We need to make sure that you or your friend or family member has consented to their name being on that list. This is because the list can be seen by a lot of people, the newsletter is available for anyone to pick up in church and is also published on the Rugby Deanery website. From September, the list will be restarted with the names of all for whom the parish have consent. Also, when you request a Mass intention, please provide consent for names to be included in the Parish newsletter. The Parish will not store names except on the printed newsletter. This is necessary to make sure the church takes proper care of your information and complies with current data protection law
