<p align="center">Pray for Yemen</p> <p>Due to the desperate situation in Yemen, the international development faith agencies CAFOD, Christian Aid, Tearfund, World Vision and Islamic Relief are inviting supporters to pray for Yemen. As you may have seen in the news, the human suffering in Yemen is one of the gravest humanitarian crises in the world today. After nearly four years of war, more than 14 million people are facing starvation and 85,000 children may have already died from extreme hunger since 2015. There is some hope in Yemen, with a ceasefire brokered in December, promising to restore the Hodeida port and allow food and medicine into Yemen. CAFOD has worked through partners in Yemen since 2016, and while they welcomed the UK government's announcement last week that it will uplift funding to the UN Peace process in Yemen by £2.5 million, they know that the situation is so desperate that more needs to be done.
