**Introduction to the Liturgy:** An unlikely thread links the three people who are called to be disciples in today's readings: all pronounce themselves unworthy. Isaiah, Paul, and Peter are saints and prophets, but each sees himself first as a sinner. As we listen to the readings today, let us realize that even though we too are unworthy, God still calls us to be disciples. How am I called to transform my life? Have I already transformed my life and feel called to encourage others to do so as well?
