THE GOD WHO SPEAKS: THE YEAR OF THE WORD

The Catholic Church in England and Wales invites us to try to deepen our engagement with the Word of Scripture where we encounter Christ. The key themes: Celebrating God's Word. May we come to love and rediscover the word of God which speaks to us and guides us in our daily lives. Living God's Word: Scripture teaches us how to live in society, respect the wonders of creation and work for the common good. Sharing God's Word: the Bible has inspired learning, culture, music, art and literature. It challenges technology and social media to open up new ways to encounter and share Christ in the world.
