### Contemplative in Glasgow.

Lawrence Freeman is the Benedictine monk and director of a global meditation community - WCCM.org

Father Lawrence spent four days at COP26 as a presence for all the meditation communities round the world **'as the event involves us all as citizens of the world and contemplatives in the making.'** During his short time in Glasgow he meditated online with individuals around the world and was also, in the hustle and noise of the assembly, able to speak to and meditate with a group. An account of his time at the assembly is on view on the community Notice board in the entrance to the Parish Hall. Please view it when you are able.
